HELP UTEACH STUDENTS ENHANCE THEIR RESUMES WITH A CS PATHWAY TEACHING CERTIFICATE

The CS Pathway teaching certificate quickly prepares non-CS majors for secondary certification in CS and offers up to $4,000 in stipends! Students can graduate with an extra credential and marketable skills as a computer science teacher, at no extra cost to them.

- Up to $4,000 in stipends available for each student.
- Pathway is partially self-paced and can be completed in less than a year.
- Ideal for UTeach juniors and rising seniors.
- Great add-on to their existing certification program!

REQUIRED COURSEWORK:

Two partially self-paced 3-hour introductory computer science courses offered in the summer:
- UTeach CS Principles
- UTeach CS A

A 1-hour seminar in computer science education.
- UTS 175C UTeach CS Seminar

REGISTRATION SPOTS ARE LIMITED!

Students can request a spot by emailing taylor@uteach.utexas.edu with their name, EID, and requested course unique number.
