

HELP UTEACH STUDENTS ENHANCE THEIR RESUMES WITH A CS PATHWAY TEACHING CERTIFICATE

The CS Pathway teaching certificate quickly prepares non-CS majors for secondary certification in CS and offers up to \$5,000 in stipends! Students can earn this extra credential to become dual certified and gain marketable skills as a computer science teacher –at almost no extra cost to them.

- Up to \$5,000 in stipends available for each student.
- Pathway can be completed in less than a year.
- Ideal for UTeach juniors and rising seniors.
- Great add-on to their existing certification program!

PROGRAM COMPONENTS:

UTeach CS professional learning experiences:

- UTeach CS Principles
- UTeach CS A

A 1-hour seminar in computer science education.

- UTS 175C UTeach CS Seminar

Self-paced CS certification exam preparation.

- WeTeach Foundations of CS for Teachers: Praxis Prep

NOW ENROLLING, APPLY TODAY!

Students can request a spot by filling out the interest form. Login and click “CS Pathway Interest Form” on the right.
