Join a new pathway that quickly prepares non-CS majors for secondary certification in CS and offers up to $4,000 in stipends! Graduate with an extra credential and marketable skills as a computer science teacher, at no extra cost to you.

- Up to $4,000 in stipends available for each student.
- Pathway is partially self-paced and can be completed in less than a year.
- Ideal for UTeach juniors and rising seniors.
- Great add-on to your existing certification program!

**REQUIRED COURSEWORK:**

Two partially self-paced 3-hour introductory computer science courses offered in the summer:

- UTeach CS Principles
- UTeach CS A

A 1-hour seminar in computer science education.

- UTS 175C UTeach CS Seminar

**REGISTRATION SPOTS ARE LIMITED!**

Students can request a spot by filling out the interest form. Login and click “CS Pathway Interest Form” on the right.
