

CS PATHWAY: UTEACH COMPUTER SCIENCE ADD-ON CERTIFICATION

ENHANCE YOUR RESUME WITH A CS PATHWAY TEACHING CERTIFICATE

Join a new pathway that quickly prepares non-CS majors for secondary certification in CS and offers up to \$5,000 in stipends! Earn this extra credential to become dual certified and gain marketable skills as a computer science teacher –at almost no extra cost to you.

- Up to \$5,000 in stipends available for each student
- Pathway can be completed in less than a year.
- Ideal for UTeach juniors and rising seniors.
- CS Pathway is a great add-on to your existing certification program!

PROGRAM COMPONENTS:

UTeach CS professional learning experiences:

- UTeach CS Principles
- UTeach CS A

A 1-hour seminar in computer science education.

- UTS 175C UTeach CS Seminar

Self-paced CS certification exam preparation.

- WeTeach Foundations of CS for Teachers: Praxis Prep
