

# UTeach Funding Priorities

WE PREPARE TEACHERS. THEY CHANGE THE WORLD.

UTeach is a unique university-based secondary STEM (Science, Technology, Engineering, Mathematics) teacher preparation program that answers the need for qualified STEM teachers in Texas and across the country. When you support UTeach, you are supporting the immediate needs of our UTeach students, as well as the immediate needs of the school districts, nonprofit STEM organizations, and K–12 students they serve.

## UTEACH AUSTIN FUNDING PRIORITIES

**UTeach Internships** ..... **\$2,000 to \$100,000**

UTeach students earn a stipend working with local middle schools, high schools, and nonprofit STEM-focused organizations. Your gift helps not only UTeach students but Austin-area schools and nonprofit organizations and the K–12 students they serve.

**UTeach Outreach UT PREP Summer STEM Camps** ..... **\$1,000 to \$100,000**

UT PREP Summer STEM Camps provide historically under-represented students in the Austin area a supportive and enriching academic research-based pathway to increase and diversify the number of students pursuing and being successful in STEM-focused college majors and careers. Funding supports partial or full scholarships for students who otherwise would not be able to attend.

**UTeach Endowment** ..... **starting at \$25,000**

Endowments are an investment in perpetuity and provide constant and reliable budgetary support for UTeach.

## UTEACH NATIONAL FUNDING PRIORITIES

**UTeach Conference Sponsorships** ..... **\$5,000 to \$75,000**

Each year, the UTeach Institute hosts more than 400 co-directors, faculty, staff, and students from the partner universities implementing UTeach. The conference features more than 70 sessions, expert panelists, and guest speakers, all to support STEM teacher preparation and STEM education across the country.

**UTeach Alumni Conference Sponsorships** ..... **\$1,000 to \$5,000**

The UTeach Alumni Conference provides professional learning sessions focused on classroom instruction best practices and leadership development to UTeach alumni from UTeach programs nationwide.

**UTeach Professional Development** ..... **\$1,000 to \$20,000**

UTeach Professional Development offers professional learning experiences to enhance STEM teachers' content knowledge, promotes inquiry-based and project-based learning, develops leadership capacity, and creates professional learning communities.

## HOW TO INVEST IN UTEACH

### Create an Endowment

Endowments provide a lasting investment for a better future. Opportunities starting at \$25,000 are available for Excellence Funds, Scholarships, and Program Support.

### Matching Gifts

Many employers will match charitable contributions made by their employees, retirees, and/or spouses.

### Planned Gifts

Set up a planned gift at any age. From life insurance to a charitable bequest, explore options now that will help UTeach in the future.

### IRA Distribution

Support UTeach by making a direct gift from your IRA. It's easy, and now is the time. A tax-free contribution can be made for up to \$100,000 from both a traditional and a Roth IRA.

## Sustained Giving

A sustaining gift of any size provides unrestricted funds for initiatives that are not supported by university resources. Gifts from \$10 to \$3,000 are an investment in the UTeach program and future STEM educators. A monthly, quarterly, or yearly gift—no matter the size—can have a big impact on UTeach students, mentor teachers, and K–12 students.

### ANY AMOUNT TO ANY PROGRAM!

#### **\$120**

##### Funds a partial tuition rebate

As an incentive to try out teaching, UTeach offers all students who complete the first two courses in the program a partial tuition rebate.

#### **\$250**

##### Funds a mentor teacher stipend

In-service teachers provide expertise and vital feedback, contributing significantly to the development of our pre-service teachers.

#### **\$500**

##### Funds five New Teacher Kits

UTeach Induction support includes a box of supplies to help our graduates get their first classroom ready.

#### **\$1,000**

##### Provides a partial scholarship for UTeach Outreach UT PREP Summer STEM Camps

Provide opportunities for disadvantaged kids to attend academically rich summer camps focusing on Science, Technology, Engineering, and Math.

#### **\$1,500**

##### Helps support the UTeach Alumni Conference

Support the national community of high-quality STEM teachers who graduated from UTeach programs across the country.

#### **\$2,000**

##### Funds an internship for a semester

UTeach interns are paid a stipend to work 10 to 20 hours a week in a nonprofit organization that provides STEM-focused educational services to the community.

#### **\$3,000**

##### Funds induction and professional development for a new teacher

Your support provides UTeach graduates with professional development that helps them transition from student to expert teacher.
